# SING THE BLACK SNAKE DOWN

*December 29, 2017 - 5:30pm*

Join us for a night of music, solidarity, and conversation, as we raise money for Line 3 Water Protectors defending Anishinaabe land and water from Enbridge's pipeline projects in Northern MN.

This event is part of Black Snake Killaz Circuit, a series of fundraisers and educational events organized by a collective of artists, organizers, and venues, to raise funds, raise awareness, and raise hell about Line 3. We stand for clean water, interracial solidarity, Native sovereignty, and sustainable jobs with justice for workers.
