The NEXT-best way to support Boneshaker Books? Make a donation and help us thrive.

We want to grow. We want to expand our current sections and build new ones. And we can do it with your help.

You can support our continued effort to be a thriving bookstore and community space when you **become a Skeleton Crew member!** For a one-time \$250 donation, you can choose a book that we will stock permanently. That's right, when you join the Skeleton Crew we promise to never let your book go out of stock. As long as your selection is in print, it'll be on our shelves too. Your Skeleton Crew pick supports Boneshaker Books financially, and contributes to a vibrant Skeleton Crew shelf dedicated to your picks.

Skeleton Crew members are the literal backbone of Boneshaker Books. Your selections give us form, and your contributions give us power. Join the Skelton Crew today and help Boneshaker Books thrive for many years to come.

Can't swing a Skeleton Crew membership today? Contributions of any amount are greatly appreciated. And if you donate \$50 or more, you can specify which section you would like your donation to go towards... just put it in the notes of your submission.

Thank you for supporting Boneshaker Books.

In love and solidarity, The Boneshaker Collective.
